MO CHEN

mchen8@babson.edu | 339-242-9016 | Boston, MA

Architectural designer and project manager with 5+ years of experience delivering large-scale urban, cultural, and adaptive reuse projects in China and internationally. Skilled in leading multidisciplinary teams, coordinating with government and private clients, and managing full project lifecycle from design development to construction delivery.

PROFESSIONAL EXPERIENCE

Asian Infrastructure Investment Bank (AIIB) | Strategy consultant **2024.01 - 2024.06**

Tsinghua-MIT MBA Integrated Practical Project (IPP)

- Supported urban infrastructure and smart city project planning, conducting feasibility analysis and identifying financing strategies to enable sustainable development.
- Collaborated with cross-functional teams to evaluate digital governance frameworks and their application to public infrastructure delivery and institutional capacity building.
- Produced strategic reports that informed project-level decision-making on urban regeneration and SME participation in design/construction ecosystems.

Beijing An-Design Architects | Lead Architect & Project Manager **2019.08 - 2023.08**

Founded by the School of Architecture at Tsinghua University, specializes in architectural design, urban planning, and cultural heritage preservation, partners with government agencies, state-owned enterprises, and private sector clients to drive sustainable urban transformation

- Led conceptual, schematic, and master planning design for major redevelopment projects including the State Energy Group's Beijing Thermal Power Plant into Jianguo Road 75 Digital Arts Industrial Park, aligning with China's national digital economy strategy.
- Coordinated across state-owned enterprises, municipal authorities, and cultural institutions through design review and permitting processes, ensuring compliance and timely project approvals.
- Directed teams of designers and consultants to deliver adaptive reuse and heritage renovation projects, transforming industrial heritage sites into cultural and innovation hubs supporting SMEs and creative industries.
- Oversaw project budgeting, scheduling, and stakeholder communications, ensuring projects were delivered on time and met client objectives.

EDUCATION

Tsinghua University School of Economics and Management **2023.09 - 2026.06**

Candidate for MBA, June 2026

- Selected Study Abroad Program at Babson College in Boston, MA (Fall 2024)
- Leadership: President, Sunshine Philanthropy Club – organized initiatives engaging 200+ members; Teaching Assistant of The Advisory Board of Tsinghua SEM, MIT Entrepreneurship Strategy Course

Virginia Polytechnic Institute and State University **2014.08 - 2019.05**

Bachelor of Architecture, Urban Redevelopment(Cum Laude)

- Dean's List (2014–2016), Class Competition Honorable Mention (2015)
- Study Abroad at Architectural Association in London, UK (Fall 2018)

SOCIAL ENGAGEMENT

New Minds Initiative | Co-Founder, President **2022.04 - 2025.09**

- Founded a nonprofit knowledge-sharing platform by designing digital collaboration spaces, to address the lack of inclusive and continuous global dialogue, resulting in a community of 500+ active participants across multiple countries.
- Designed and led a 1,000-day knowledge challenge by curating content and coordinating volunteer teams, to promote cross-cultural learning and intellectual exchange, which sustained daily engagement and long-term community growth.
- Mobilized volunteers and external partners by building an operational framework, to ensure self-governance and sustainability, enabling the initiative to continue beyond founder-led activities.
